"for tools and parts that fix!"

Castrol Premium Heavy Duty is a NLGI 2 multipurpose lithium complex grease for automotive and industrial applications. It has been formulated with a high drop point, good water resistance and EP properties for greater high temperature performance and load carrying capabilities. The inclusion of a tacky agent helps resist throw off. Suitable for automotive wheel bearings, ball joints and chassis lubrication as well as medium duty industrial applications. The TOLEDO TOL305217 lever action grease gun is suitable for use with 450gm cartridges or bulk grease (650cm³ capacity with bulk grease). Generates 6000psi pressure, comes **FREE** with a heavy duty 4 jaw coupler and a 150mm (6 inch) rigid extension.
