Our usual couriers are still operating so we can deliver goods or they can be emailed through to us to get ready for pickup at the branch. If you wish to pick up orders please email ahead to give us a chance to pick and pack the order for you. We wish to maintain the 2 metre gap between staff and customers for everyone's safety.

Thank you for your understanding in these difficult times, please look after yourselves, your families and workmates, remember we will get through these hard times! A huge thanks to all those people working in the front line to keep us all safe and secure.
